expressive change  
in the position of  
the body

## RE-THINK WORSHIP...

**Motion is out to change mindsets relating to worship, they bring a fresh energy and, at the core, are driven by a passion for Jesus.**

At the core of some of the greatest moves of God and revivals on the planet has been one simple word, worship. Why? Because worship, whether musical or not, that is focused on Christ is a powerful thing. Enter Motion. Their heart is to have Christ-centered worship, and cause people of all ages and denominations to rethink the way they see worship. In the words of Matt Redmen "coming back to the heart of worship, where its all about you, its all about you Jesus". This is one of the things at the core of Motion.

### So, what is Motion?

It's a ministry and a band. Motion combines music, media, creative arts and powerful speaking to inspire and empower people. Motion is defined as : 1) A

in the position of the body; a gesture. 2) The ability or power to move; prompting from within, an impulse or inclination. This is what they want to do. Inspire the body of Christ to move and walk out the mission Jesus gave the church 2000 years ago, spread the gospel.

### Why focus mostly on the church when there's a world out there that needs God's love?

Simple. Five individuals cannot reach the entire world with this outrageously good Gospel of Jesus. But the entire body of Christ working together can share this life changing, world shaking gospel with the entire world. Jesus says that 'the harvest is plentiful but the workers are few'. Well, they want to inspire workers.

# REACH, REPRESENT, RE-THINK...

They're dreams are big, but God's plans are bigger...

**Motion exists to inspire and prompt the body of Christ to movement, to sharing the gospel, to actively worshiping and living out the calling that all of us have from God.**

Motion is not an aimless worship band with no plan. God has cast a vision that is far a wide. It's a vision He originally cast 2000 years ago when Jesus Christ said "it is finished". The work is done, Jesus blood has cleared us of all shame so that we can stand before God knowing that he has forgiven us of all of our shortfalls. This is the Gospel, thats the vision Motion has. Sharing this amazing love with people all across the planet.

## Is Motion playing right now?

The five guys that make up the band are no strangers to playing live in front of a lot of people. They do it all the time. In fact it's where they feel most comfortable, but in early 2010 the Motion ministry

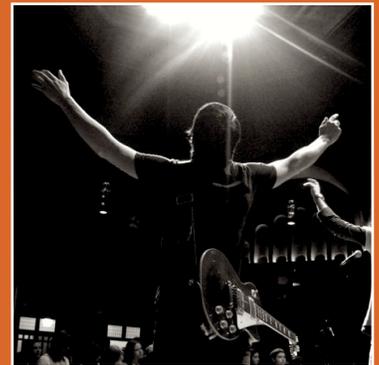

will take it to the next level and officially launch out in full force. In other words, these guys are serious about what God's laid on their hearts.

The vision, put simply, they want to reach the world as a body, accurately represent Jesus and his love, and help people rethink worship, making Christ the center.

Jesus  
centered worship  
is what Motion is  
all about.

 you like what you see? Do you want to get involved?  
 Want to help out? Well, here's how.**

Sponsor us. We don't want to, nor can we do this alone. We need your help. It may sound like we're just asking for money, but sponsoring is the most effective way to get involved. Why? Because by sponsoring you can be apart of literally everything that goes on. And you don't have to come to rehearsals. It's the best of both worlds.

What is sponsoring? Sponsoring is donating on a monthly basis. When you sponsor you can receive full tax receipts and you'll also receive updates about what's going on in the world of Motion. It's not a big thing to do, but every single persons contribution will add up to make big things happen. If you would like to sponsor Motion, there's a form below, fill it out and e-mail it to [info@livemotion.ca](mailto:info@livemotion.ca)
